Keeping an Eye Out for Suspicious Activity

Suspicious activity is an activity that is questionable. In your neighborhood you know the "normal" type activity that takes place. Suspicious activity is anything that just doesn't look right.

- Cars/trucks driving slowly cruising streets.
- Do these cars/trucks fit the area?
- Do the drivers fit the area?
- What the driver's actions?
- Does the driver appear to notice what you are doing?
- Unusual people loitering around homes or businesses?
- Does the home/business look to be occupied?
- Do they display to much interest in what you are doing?

Neighborhood Watch.....What is It?

The **Neighborhood Watch** program is the cornerstone of all crime prevention programs. It enlists the active participation of citizens in cooperation with law enforcement to reduce burglaries and other neighborhood crimes. It's primary purpose is the protection of property—**yours and your neighbors.**

Neighborhood Watch crime prevention programs are proven and effective means to substantially reduce not only the incidence of residential burglaries in a specified geographical area, but the incidence of other crimes.

A good neighbor is one of the most effective crime prevention tools ever invented.

This program teaches you steps that can be taken to help protect your home. It also helps you organize a Neighborhood group and start making crime prevention a part of every persons daily routine.

Why Establish A Neighborhood Watch?

The Neighborhood Watch program will help deter crime in the neighborhood you live in. The “job” of a citizen in a neighborhood watch area is to be suspicious, alert and to report any suspicious activity to the sheriff's office. It is the responsibility of the sheriff to apprehend the criminals. Yours is to report crime.

Neighborhood Coordinator and partners

The Neighborhood Watch Program is overseen by the Sheriff's Office but is run by the Coordinators from your community. Get to know them and please contact them with any questions or concerns you may have. We are here to provide the information you need to help make our community a safer place in which to live.

Everyone Gets Involved

Get as many neighbors involved as possible. Not everyone will want to be a part of the program, and that's all right. Make sure they know about the Neighborhood Watch program and that they are always welcome to come to the get-together. Make sure they know about all events.

What is Involved?

“Active” Neighborhood Watch programs are required to have a least 4 meetings per year. The Neighborhood Watch Coordinators/Captains will organize the meetings. The liaison or designee from the Sheriff's Office will be in attendance to present information and materials. Attendance roster must be kept and reported to the liaison or designee for record keeping. All other meetings may be social events such as:

- Neighborhood Watch party
- Pool Party
- Block Party
- Bike and pet parade
- Christmas party

You can also use door prizes to encourage attendance.
