Two Arrested in Burglary in Southwest Pueblo County

Pueblo, CO: Pueblo County Sheriff's deputies arrested two adults and are forwarding charges on two juveniles in connection with a burglary in southwest Pueblo County late Tuesday night.

Deputies responded to the 6000 block of Burnt Mill Road at about 10 p.m. on a report that several people were trespassing on the property. When deputies arrived, they saw flashlights in the distance and could hear people talking and rummaging through items. Deputies, including one with a K9, announced their presence and instructed the four individuals to get on the ground and show their hands. Only one man, identified as Kevin Pullella, 27, complied with the order. Three others ran away as deputies announced they would be deploying K9 Zeus. Zeus successfully apprehended a woman, identified as Gianna Bilardo, 24, while deputies detained two 17-year-old males.

During a preliminary investigation, deputies located a van with the engine still running on the property. The van contained several stolen items, including a motorcycle. Deputies also found four children, ages 6, 4, 3, and 1, sleeping unattended in the vehicle amongst the stolen items, trash and other debris.

Deputies arrested Pullella and Bilardo each for second-degree burglary, possession of burglary tools, second-degree trespass, theft, child abuse, and motor vehicle theft. Both have been booked into the Pueblo County Jail. Pullella and Bilardo each had a prior arrest for child abuse in 2024.

The two teenagers were released to their parents, with charges being forwarded to the 10th Judicial District Attorney's office. The four minor children were released to a family friend.

The van has been seized pending approval and execution of a search warrant.
